

VEHICLE SALE CONDITIONS CANNOT BE CHANGED

The method we use is fair to everyone interested in the vehicles.

Just as I cannot sell my cash registers on the first day of the sale I cannot sell the vehicles on the first day of the sale either. I need them to deliver the items that are sold to buyers that make arrangements for delivery.

You may place a bid on any or all vehicles individually. You cannot make a bid on all the vehicles in one giant bid because I can sell them for more by selling them individually, one at the time and that is the goal.

The way to bid is to give Skip a written offer, clearly identifying which vehicle the bid is for. Supply two mobile numbers so Skip is guaranteed to be able reach the bidder. The bid is placed in a sealed envelope.

The person making the highest offer on each vehicle will be called by Skip on the morning of June 16, 2011 at 8-9 AM. If the high bidder has changed their mind, Skip will call the next highest bidder and sell the vehicle to them. The winning bidder must bring CASH only on June 16th by 3 PM, and receive a bill of sale and a title transferring the vehicle. If they do not arrive by 3PM June 16th and buy the vehicle, Skip will call the 2nd highest bidder and sell the vehicle to that bidder.

The winning bidder must remove the vehicle by June 22nd. We suggest that you place your own insurance and tag prior to removing the vehicle. Our insurance and our tag will be removed. All bidders agree to the terms of this sale by virtue of the fact they place a bid.

If our system does not fit your agenda we are sorry, we thank you for your interest and we suggest that you shop for other items while you are here. We could not notify these conditions prior to the beginning of the sale due to advertising deadlines and sales conditions beyond our control.

Bidder's signature indicates that bidder agrees to terms of sale and must be attached to bid. There are no exceptions to the terms and conditions of this sale.
